

AffectiveState

```
graph BT; PrimaryEmotion --> AffectiveState; SecondaryEmotion --> AffectiveState;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'AffectiveState'. Below it, a horizontal line connects two boxes: 'PrimaryEmotion' on the left and 'SecondaryEmotion' on the right. A vertical arrow points upwards from the center of this horizontal line to the bottom of the 'AffectiveState' box, indicating that both 'PrimaryEmotion' and 'SecondaryEmotion' inherit from 'AffectiveState'.
